

Member Self-Referral

See a Specialist without a Referral!

Torrance Health IPA (THIPA) is the only medical group in the South Bay allowing HMO Members to see a specialist in several select specialties within the network, without a referral from their primary care physicians

- * No additional premiums or deductibles, A No-Cost service offered by THIPA above and beyond the coverage provided by your HMO insurance plan
- * The above is not a complete list of our specialties in the THIPA network, only those in our THIPA self-referral program. THIPA has a network of more than 450 Primary Care and Specialist Doctors. See a complete list of THIPA Physicians at www.thipa.org/physiciandirectory.
- * Please note the self referral benefit applies to the initial visit with the physician only, the physician will direct further treatment and/or tests.
